

OFF THE SCOREBOARD

Season 2007 well underway

The VBL season has past the half way point, with officials working regularly in freezing weather to staff their benches. Our Scoretable coaches have been braving the cold weather as well. It would be appreciated if when they come out to your association they are offered a hot drink.

There are occasions where associations struggle to find officials for games, and it was for this reason that at the start of the season we started up a Blog at scoretable-avis.blogspot.com for association conveners to take advantage off.

However, so far the blog has only been utilised on one occasion. The committee would like to see the blog being used more frequently. All that is required by conveners is to email with the date, time, venue, number of vbsa_blog@yahoo.com.au games, payment and contact details of the convener.

The committee has also discussed that the fact that the blog is to be

used to find "outside" officials there needs to be a financial incentive to attract the officials. Therefore there should be a \$5 increase per game. This would make pays \$21.50 (Level 1), \$23.50 (Level 2) and \$25.50 (Level 3&4).

On a sad note, Patricia Nagel resigned her position as the VBSA Property Officer recently due to personal reasons. The committee would like to thank Patricia her work over her time was Property Officer. Adrian Spinelli will be taking on this role until the next Annual General Meeting in February.

At the time of this newsletter being published the Committee is still inviting applications for the position of Newsletter Editor.

Members will be advised of the appointment of the new Newsletter Editor via email when it occurs.

Blog Scene

Just a reminder regarding our new initiative 'The Blog'.

Conveners who are requesting officials for games need to email Avis Scullin on vbsa_blog@yahoo.com.au with the date, time, venue and number of games and contact details to make arrangements.

Avis will then post for the last time at 12 noon on the Friday before the game.

Officials looking for games need to log onto scoretable-avis.blogspot.com (no www needed). If you find games that you are able to work at, you then need to contact the Convener of the Association and make the relevant arrangements.

Please note that if you fail to attend any appointment made with any Association, you can and will be held accountable for your failure to attend.

It is a reportable offence for any official not to turn up for an appointment.

Coaches' Corner ...

Some of the most prevalent items that our Coaches are reporting back to me during evaluations, is that there are still some problems/ understanding of the role of the Timer.

Firstly, the Timer must notify both teams and officials before the first and third periods by sounding the horn/siren when 3 minutes and again at 1:30 remain before the beginning of the period and notify the teams and officials before the second and fourth and each extra period when 30 seconds remain until the beginning of the period.

It is the Timer who must say the

'10' then counts down the '5 to zero' of the Shot Clock each and every time throughout the game.

We have had several instances whereby the Timer is just merely inconsistent with their calling.

It is also the Timer's duty to time the 30 seconds for any fouled out and disqualified players throughout the game.

Also be aware that the clock must stop on made baskets in the last two minutes of the fourth or any extra period of play.

Several Scoretable Coaches have also reported that when the Scoresheet is being completed and either team presents fewer than 12 players, that many officials are not ruling through the unused player spaces prior to the start of the game as per FIBA Rulebook B.3.3.3

At the end of each period, the Scorer shall draw a thick circle (●) around the last score by each team and a thick horizontal line under those points and under the number of the player that scored the points. (Rule B.11.4)

At the end of the game, the Scorer shall draw two thick horizontal lines

under the final number of points scored by each team and the numbers of the players who scored the last points. (Rule B.12.1)

The Scorer shall also draw a diagonal line to the bottom of the column in order to obliterate the remaining numbers (running score) for each team.

All Time-outs granted shall be recorded on the Scoresheet by entering the minute of the playing time of the period or extra period in the appropriate boxes below the team's name. (Rule B.7.1) E.g. In a game of 12 minute quarters, a Time out called at the 5 minute 14 second mark of the second quarter will be recorded as a 7 in the appropriate teams Time-out box.
