## Vale—Graham Sampson

**It is with deep regret that we announce the death of the husband of one of our inaugural Scoretable members. Graham Sampson was a highly respected referee and referee advisor. He was also a strong supporter of the VBSA. He will be missed and we pass on to Lorraine and Danielle our sympathy.**

## Under 16 National Championships

In July the Australian under 16 National Championships were held in Tamworth NSW.

It was great to be chosen as the Victorian Scoretable representative.

It turned out to be a long day getting from Melbourne to Tamworth when we had 3 plane delays in Sydney. Eventually I arrived at Tamworth and the difference with the tournament being held in a smaller city was both noticeable and interesting. The motel was about 6 km outside town, there were no shops or anything close by and no car to get about in. The thought did occur about catching a kangaroo to ride into town but the beggars were a bit quick to catch and bridle.

Basketball wise, you really gotta love basketball when doing between 3 or 4 games each day, you end up with some long days.

The organizers had forgotten about interstate people wanting to get around to see the area while visiting and the profile of Scoretable is still low considering how important our role is. If the organizers had considered interstate people flying in and provided a car, then many of the problems about our motel being so far out of town, games finishing late and getting meals would not have been as testing.

It's amazing how little things differ from state to state and yet everything still ends the same.

In saying that, the tournament was held in a new stadium with plenty of room to move for everyone, the hosts were great and helped with anything we asked.

One experience very new to me was 3 inches of rain in 2 days! This made playing very trying and at times, outright dangerous because of the condensation making floors very wet. Stopping play for long periods and then trying to dry the floors certainly slowed things down, but in saying all that, it was a great week greeting and making new friends, and meeting old.

I would do it again anytime, great experience, no holiday—but great fun!

Congratulations to the Vic metro boys and girls in winning the titles.

Thanks for the opportunity.

## Wanted ...

**Registrar**—Melanie Connell is stepping down from this important position and a replacement Registrar is required.

The Committee expresses their appreciation for the work done by Melanie over the past years and wishes her well.

A nomination for a member to replace Melanie is being actively sought!

## Test Your Rules Knowledge!

*Look up the answer and Article number to each of the following questions:*

1. With 1:28 remaining in the last period Red 4 scores a field goal. The ball, after passing through the net strikes a player's foot and rolls to the opposite end of the court. The official sounds his whistle and goes to retrieve the ball. Red team requests a time-out. Shall the request be granted?
2. Blue 4 is assessed a second unsportsmanlike foul in the game. Is Blue 4 allowed to remain on the players bench?
3. During a fight, substitutes Blue 10 and Blue 11 leave the team bench area to help restore order. Is this legal ?

## Big V Tournament—2013

Douglas McRae and Gabrielle Hore would like to remind all VBSA members that they will be looking for scorers early in the new year to participate in the Big V Tournament.

The Tournament will be held at the Frankston Stadium over the Labour Day weekend 9—11 March 2013. A minimum of 70 scorers will be required and scorers of all levels are invited to participate. Remember to set this weekend aside if you can.

## Convenors Meeting—Report ...

Hi All,

On Sunday 16 September, I attended the VBSA end of season convenors meeting held at Nunawading stadium. There were a few items raised during the meeting that might be of interest to you.

### UNIFORM

Long sleeve, plain black tops are permitted to be worn under the polo shirt, effective immediately.

Although this option has previously been rejected by the committee, after some discussion the members in attendance voted to allow this uniform option.

### PAY RATES

Big V & SEABL rates to remain the same.

As there has been a small rate increase for all other leagues approved by the VBRA & the Big V & SEABL leagues are not covered by this, the members in attendance voted to leave the pay rates as is. After discussion that many associations are either un-paid or under-paid & a rate increase would be recommended only, it was decided to leave the pay rates unchanged.

### OLD RUGBY TOPS

To be donated to a homeless shelter.

If you have any questions about any of this, please feel free to contact me.

*Regards  
Leah Collings*

## Answers to last issue's questions

1. Red 5 is injured; Red 10 enters the court to replace Red 5. Red Coach takes a time-out during which Red 5 recovers. He requests permission to re-enter the court. Should the request be granted. ?

**No, Article 5.6 says “before the scorer’s signal for the substitution” the signal has been made in this case. Player Red 5 cannot enter the re-enter court until after the next clock-running phase.**

2. What are the intervals of play? When do they commence and end?

**Article 8 sets out all intervals of play.**

3. Red team is granted a time-out. After 25 seconds Red team is ready to play. Does play start immediately?

**Article 18.2.1 says “Each time-out shall last for one (1) minute”.**
